OCTOBER

Scouts and parents, please note that we will begin our wreath sales fundraiser in October. Although we all just *love* working on fund-raisers, the fact is-without them we would not have the superb equipment we use on all our trips. As the troop has grown, we have managed to keep one-half step ahead of not-having-enough-gear. At this time, the troop is getting more into “High adventure” type activity, facing the fact that some of our older equipment is actually wearing out, besides gas costs that are starting to make some trips very expensive. To be succinct, we’ll never really “be ahead”.

Please support fundraisers, --especially the wreath sales by encouraging family, friends, and neighbors to support us. Thanks!
